

Growth Kit: C S Rushil & Co., Chartered Accountants

Prepared: October 2026

For: CA Rushil C S (owner) and the office team

Goal: Reach the top 3 of Google's map results for company registration searches in Chennai and Anna Nagar, and turn those searches into enquiries and clients.

Everything below is ready to copy and paste. Text in `{curly brackets}` is a placeholder; replace it before sending.

Before you start, read Section 7 (ICAI check-list). Some of the activities in this kit, such as asking for reviews, listing on directories, posting on social media or speaking at events, may be covered by the ICAI Code of Ethics and its advertisement guidelines. Confirm anything you are unsure about before acting.

Important note about the review link. At the time of writing (8 October 2026), <https://www.csrushil.com/review> returns "404 Not Found" on the live site. The redirect has been added in the website code but has not been deployed yet. Until it is live, use the direct Google link instead:

<https://search.google.com/local/writereview?placeid=ChIJzXoB0DFnUjoRv2EUu02l7n8>

After deployment, open <https://www.csrushil.com/review> on your phone and confirm it opens the Google review box before printing the QR code.

Contents

1. 90-day calendar
 2. Review requests and replies
 3. 12 weekly Google Business Profile posts
 4. Directory listing pack
 5. 12 YouTube / Shorts scripts
 6. Outreach templates
 7. ICAI check-list
 8. Measurement
-

The business details (use these exactly, everywhere)

C S Rushil & Co., Chartered Accountants

Old Door No. AP-890, New No. 18, J-Block, 1st Street, 13th Main Rd,
Anna Nagar, Chennai, Tamil Nadu 600040

Phone / WhatsApp: +91 72001 49711

Email: admin@csrushil.com

Website: <https://www.csrushil.com>

Hours: Monday to Saturday, 9:30 AM to 6:30 PM (Sunday closed)

Google Maps: <https://maps.google.com/?cid=9218487927688159679>

Book a call: <https://calendly.com/ceo-csrushil/30min>

1. 90-day calendar

Time budget: 30 to 60 minutes a day for the owner. Tasks marked "Team" can be handed to a staff member, with the owner checking the result.

Daily habits (every working day, about 10 minutes):

- Ask every client whose work was completed that day for an honest review (Section 2).
- Reply to any new Google review within 24 hours.
- Answer Google Business Profile messages and questions the same day.

Weekly habits:

- Monday: publish that week's Google Business Profile post (Section 3).
- Wednesday: upload 2 to 3 new real photos to the Google Business Profile (office, team at work, signboard, a seminar). No stock photos.
- Friday: record or publish one video (Section 5).

The calendar below starts on **Monday, 12 October 2026**.

Week	Dates	Main actions (owner unless marked "Team")	Approx. time
1	12 to 17 Oct	Read Section 7 and send your questions to ICAI. Check the Google Business Profile: pin on the building, exact address, hours, phone, website, categories, services. Deploy the website so /review works, then print the desk QR code (Team). Post GBP #1 (Company registration). Start daily review requests.	60 min/day
2	19 to 24 Oct	Set up GA4 and Search Console (Section 8, Team or your web developer). Create Bing Places by importing from Google. Post GBP #2 (Private limited). Record video 1 (documents). Write down this month's baseline numbers in the KPI table (Section 8).	45 min/day
3	26 to 31 Oct	Claim or create Justdial and Sulekha listings using the exact NAP block (Section 4) (Team). Post GBP #3 (LLP). Record video 2 (timeline).	45 min/day
4	2 to 7 Nov	Apple Business Connect and LinkedIn company page (Team). Post GBP #4 (OPC). Record video 3 (Pvt Ltd vs LLP vs OPC), English and Tamil. Send follow-up reminders to clients who have not yet reviewed (one reminder only).	45 min/day
5	9 to 14 Nov	IndiaMART listing (Team). Update or create your ICAI CA Connect profile (only after confirming what ICAI allows). Post GBP #5 (GST registration). Record video 4 (name rejection).	40 min/day
6	16 to 21 Nov	Outreach: send the StartupTN and incubator emails (Section 6). Post GBP #6 (Annual compliance). Record video 5 (NRI directors).	45 min/day
7	23 to 28 Nov	Outreach: TiE Chennai and coworking spaces. Post GBP #7 (Startup India). Record video 6 (INC-20A). Check all directory listings show the same name, address and phone (Team).	45 min/day

Week	Dates	Main actions (owner unless marked "Team")	Approx. time
8	30 Nov to 5 Dec	Outreach: MADITSSIA, CII and FICCI Tamil Nadu. Post GBP #8 (Trademark). Record video 7 (first-year compliance), English and Tamil. Mid-point review: compare KPI numbers with Week 2.	50 min/day
9	7 to 12 Dec	Follow up on any outreach replies; schedule a free compliance clinic or talk if accepted. Post GBP #9 (ROC compliance). Record video 8 (GST after incorporation), English and Tamil.	45 min/day
10	14 to 19 Dec	Journalist emails (offer expert comment for the Union Budget expected in early 2027). Post GBP #10 (DSC). Record video 9 (DSC).	40 min/day
11	21 to 26 Dec	Hold the first compliance clinic or talk if one has been scheduled. Post GBP #11 (TDS). Record video 10 (registered office at home). Ask attendees who later become clients for honest reviews (never during the event, never in exchange for anything).	45 min/day
12	28 Dec to 2 Jan	Post GBP #12 (Income tax). Record video 11 (Startup India recognition). Fix any directory listing that still shows old details (Team).	35 min/day
13	4 to 9 Jan	Record video 12 (converting a proprietorship), English and Tamil. Fill in the full KPI table. Decide what worked and plan the next 90 days. Restart the GBP post cycle with updated content.	45 min/day

What "done" looks like after 90 days: a correct, verified Google Business Profile with weekly posts; a steady flow of new honest reviews that mention real services; the same NAP on 7 platforms; 12 videos published; at least a few outreach conversations started; GA4 and Search Console reporting every month.

2. Review requests and replies

The rules we follow

- **Ask for an honest review.** Never ask for a "5-star" review or tell people what to write.
- **No incentives.** No discounts, gifts, fee waivers or favours in return for a review.
- **No scripted wording.** Do not give clients sample text to paste.
- **Never review-gate.** Ask every client, not only the ones you think are happy. Do not first ask "were you satisfied?" and then send the link only to people who say yes. Google's policy forbids this.
- **Staff and family do not review the firm.**
- **Do not write reviews on a client's behalf** or post them from office devices.
- **It is fine to suggest they mention the service they used** (for example "company registration" or "GST registration"), because that helps other people understand what the review is about. Leave the rest to them.

WhatsApp message (English)

Hello {Name}, thank you for choosing C S Rushil & Co. for your {service, e.g. company registration}.

If you have a minute, we would value an honest review of your experience on Google. It helps other business owners decide. If you're comfortable, you could mention which service you used.

<https://www.csrushil.com/review>

Thank you,
CA Rushil C S
C S Rushil & Co.

WhatsApp message (Tamil) (please have a native speaker review)

வணக்கம் {பெயர்},

C S Rushil & Co.-வை தேர்ந்தெடுத்ததற்கு நன்றி.

உங்களுக்கு ஒரு நிமிடம் இருந்தால், உங்கள் அனுபவத்தைப் பற்றி Google-ல் ஒரு நேர்மையான review எழுத முடியுமா? இது மற்ற தொழில் முனைவோருக்கு உதவும். விருப்பம் இருந்தால், எந்த சேவையைப் பயன்படுத்தினீர்கள் (உதா: company registration, GST) என்றும் குறிப்பிடலாம்.

<https://www.csrushil.com/review>

நன்றி,
CA Rushil C S
C S Rushil & Co.

Email

Subject: A quick request from C S Rushil & Co.

Dear {Name},

Thank you for trusting us with your {service}. It was a pleasure working with you.

If you have a minute, we would appreciate an honest review of your experience on Google. Reviews help other business owners find the right support. If you're comfortable, you may mention which service you used.

Leave a review: <https://www.csrushil.com/review>

Whatever you decide, thank you. If anything about our work could have been better, please reply to this email and tell me directly.

Warm regards,

CA Rushil C S

C S Rushil & Co., Chartered Accountants

+91 72001 49711 | admin@csrushil.com | <https://www.csrushil.com>

In-person line (at the desk, after handing over documents)

"Thank you for working with us. If you have a moment later, we'd really value an honest Google review. The QR code here takes you straight to it."

Follow-up reminder (send once, about 5 to 7 days later; never more than one reminder)

Hello {Name}, just a gentle reminder in case my earlier message got buried. If you'd like to share an honest review of your experience with us, here's the link: <https://www.csrushil.com/review>

No problem at all if you'd rather not. Thank you!

- CA Rushil C S

Tamil follow-up (please have a native speaker review):

வணக்கம் {பெயர்}, முந்தைய செய்தி தவறியிருந்தால் ஒரு சிறிய நினைவூட்டல். உங்கள் அனுபவத்தைப் பற்றி நேர்மையான review பகிர விரும்பினால், லிங்க்:

<https://www.csrushil.com/review>

விருப்பம் இல்லையென்றால் பரவாயில்லை. நன்றி!

- CA Rushil C S

Desk QR code

1. Open a free QR generator such as <https://www.qrcode-monkey.com> or <https://www.qr-code-generator.com>.

2. Choose "URL" and paste <https://www.csrushil.com/review> (only after you have confirmed the link works; see the note at the top).
3. Choose a **static** QR code (it does not expire). Avoid "dynamic" codes that need a paid plan to keep working.
4. Download it as PNG or SVG and print it at least 4 cm x 4 cm.
5. Put it in a small acrylic stand on the reception desk and in each meeting room, with a simple line: "Share your honest experience on Google."
6. Test the printed code with two different phones before placing it.

Review reply templates

Rules for replies: reply within 24 to 48 hours, thank the person, never confirm they are a client beyond what they wrote, never mention any matter, fee, document, date or detail of their work, and move any dispute offline.

5-star review

Thank you, {first name as shown on the review}, for taking the time to share your experience. We're glad our team could support you. We look forward to working with you again.
- CA Rushil C S, C S Rushil & Co.

Alternative:

Thank you for your kind words. Our team works hard to make compliance simple, and feedback like this means a lot to us. Wishing you and your business every success.
- Team C S Rushil & Co.

3-star review

Thank you for your honest feedback. We take every comment seriously and would like to understand how we could have served you better. Please call us on +91 72001 49711 or write to admin@csrushil.com so we can speak directly.
- CA Rushil C S, C S Rushil & Co.

1-star review

We're sorry to read this. We take every concern seriously. Because of our professional confidentiality obligations, we cannot discuss any details here. Please contact me directly on +91 72001 49711 or at admin@csrushil.com so I can look into this personally.
- CA Rushil C S, C S Rushil & Co.

If a 1-star review is fake (you cannot trace the person, or it is clearly spam), reply calmly with the template above and use "Report review" in Google Business Profile. Do not argue in public.

3. 12 weekly Google Business Profile posts

How to post: Google Business Profile → **Add update** → paste the text → add one real photo (office, team or signboard) → **Add a button** → **Learn more** → paste the URL → **Post**.

Before each post: check that any rule mentioned is still current. Government rules change. Do not add phone numbers inside the post text (Google sometimes rejects posts that do); the button and profile already show your contact details.

Each post below is under 1,500 characters.

Post 1: Company registration in Chennai

Button: Learn more → <https://www.csrushil.com/company-registration-chennai>

Planning to register a company in Chennai? Here is what the process looks like.

1. Choose the structure: Private Limited, LLP or One Person Company. The right choice depends on how many owners you have, how you plan to raise funds and the compliance you are ready to handle.
2. Digital Signature Certificates (DSC) for the proposed directors.
3. Name approval through the MCA portal.
4. Incorporation filing (SPICe+ for companies, FiLLiP for LLPs) with the MOA, AOA or LLP details, office address proof and identity documents.
5. Certificate of Incorporation, with PAN and TAN.

After incorporation, the work continues: opening a bank account, the commencement of business declaration, appointing the first auditor and setting up your accounts.

Our team at Anna Nagar handles the full process and explains each step in plain language. Visit our page to see the documents you need.

Post 2: Private limited company incorporation

Button: Learn more → <https://www.csrushil.com/private-limited-company-incorporation-chennai>

Is a Private Limited Company right for your business?

A Private Limited Company is a separate legal entity. Its owners (shareholders) have limited liability, and it is often the preferred structure for businesses that plan to bring in investors or grow a team.

What you need to start:

- At least 2 directors and 2 shareholders (the same people can be both)
- At least one director who meets the Indian residency requirement
- Identity and address proof for each director
- Proof of the registered office address
- Digital Signature Certificates

Things to plan before you file:

- The proposed name and a backup option
- The main business activity
- How the shares will be split between founders

Running a Private Limited Company also brings yearly duties: board meetings, statutory audit, and annual filings with the Registrar of Companies.

Read our guide to see the full document list and steps.

Post 3: LLP registration

Button: Learn more → <https://www.csrushil.com/llp-registration-chennai>

Thinking about a Limited Liability Partnership (LLP)?

An LLP combines the flexibility of a partnership with limited liability for its partners. Many professional firms, consultancies and family businesses choose it.

Key points:

- At least 2 designated partners, with at least one meeting the Indian residency requirement
- No minimum capital requirement; partners decide their contribution
- An LLP Agreement that sets out each partner's rights, duties and profit share. It must be filed with the MCA after incorporation within the prescribed time.
- Yearly filings: Statement of Account & Solvency and the Annual Return, plus income tax returns

LLP or Private Limited? If you plan to raise equity funding, a Private Limited Company is usually easier for investors. If you want a simpler structure for partners sharing profits, an LLP may suit you better.

Visit our LLP page for the documents and steps.

Post 4: One Person Company (OPC)

Button: Learn more → <https://www.csrushil.com/opc-registration-chennai>

Running your business alone but want limited liability? Look at the One Person Company (OPC).

An OPC lets a single founder own a company with limited liability. Key points:

- One member and at least one director (the member can be the director)
- A nominee must be named, who takes over if the member is unable to continue
- The member and nominee must be natural persons who are Indian citizens, and meet the residency condition
- Fewer formalities than a Private Limited Company, but annual filings and audit still apply

An OPC can later be converted into a Private Limited Company when you bring in partners or investors.

Is an OPC right for you? It depends on your plans for growth, funding and tax. Visit our page to see the requirements and talk to our team.

Post 5: GST registration

Button: Learn more → <https://www.csrushil.com/gst-registration-chennai>

Do you need GST registration? Here is how to tell.

GST registration is required when:

- Your turnover crosses the threshold that applies to your business (the limit depends on whether you supply goods or services and on your state)
- You make inter-state supplies of goods
- You sell through e-commerce platforms in many cases
- You fall under certain other categories set by GST law

Some businesses register voluntarily so they can claim input tax credit and work with larger clients.

Documents usually needed:

- PAN of the business and the owners
- Address proof of the place of business
- Bank account details
- Identity proof and photographs of the proprietor, partners or directors

A new company does not get a GSTIN automatically. You can apply along with incorporation or separately afterwards.

Visit our page to check whether you need to register.

Post 6: Annual compliance package

Button: Learn more → <https://www.csrushil.com/annual-compliance-package>

Registered your company? Here is what every year looks like.

A Private Limited Company typically needs to:

- Hold board meetings during the year and an Annual General Meeting
- Maintain books of account and statutory registers
- Get its accounts audited by a Chartered Accountant
- File financial statements (AOC-4) and the annual return (MGT-7 or MGT-7A) with the ROC
- Complete director KYC
- File its income tax return
- File GST and TDS returns, if registered

Missing a due date can lead to additional fees and penalties that grow over time.

An annual compliance package brings all of this together under one team, with a calendar of due dates so nothing is missed.

Visit our page to see what is included.

Post 7: Startup India recognition

Button: Learn more → <https://www.csrushil.com/startup-india-registration-chennai>

Have you applied for Startup India (DPIIT) recognition?

Recognition is open to Private Limited Companies, LLPs and registered partnership firms that meet DPIIT's conditions, including age of the entity, turnover limits and working on innovation or improvement of products, services or processes.

Recognised startups may access benefits such as:

- Self-certification under certain labour and environmental laws
- Faster patent examination and support with IP costs
- Eligibility to apply for income tax benefits (these need a separate approval)
- Easier access to some government tenders and schemes

The application is made online through the Startup India portal with a description of your business and supporting documents.

Visit our page to check the eligibility conditions and the documents you need.

Post 8: Trademark registration

Button: Learn more → <https://www.csrushil.com/trademark-registration-chennai>

Protect your brand name before someone else uses it.

A registered trademark gives you the exclusive right to use your brand name or logo for the goods or services you register it for.

The process:

1. Trademark search to check for similar existing marks
2. Choosing the correct class or classes for your goods or services
3. Filing the application with the Trade Marks Registry
4. Examination, and responding to any objection
5. Publication in the Trade Marks Journal
6. Registration, if there is no opposition

You can use the "TM" symbol after filing. The "R" symbol can be used only after registration.

Tip: check trademark availability before you finalise your company name. It saves rework later.

Visit our page to start with a trademark search.

Post 9: ROC compliances

Button: Learn more → <https://www.csrushil.com/roc-compliances>

What are ROC compliances, and why do they matter?

Every company and LLP registered with the Ministry of Corporate Affairs must file certain forms with the Registrar of Companies (ROC). Common ones include:

For companies:

- AOC-4: financial statements
- MGT-7 / MGT-7A: annual return
- DIR-3 KYC: director KYC
- ADT-1: auditor appointment
- INC-20A: commencement of business, for newly incorporated companies

For LLPs:

- Form 11: annual return
- Form 8: Statement of Account & Solvency

Event-based filings are also needed when you change directors, registered office, share capital or other key details.

Late filing attracts additional fees, and continued non-compliance can lead to the company or its directors being marked inactive or disqualified.

Visit our page for a full list and due dates.

Post 10: Digital Signature Certificate (DSC)

Button: Learn more → <https://www.csrushil.com/digital-signature-certificate-chennai>

Need a Digital Signature Certificate (DSC)?

A DSC is the electronic equivalent of your signature. You need one to:

- Sign company and LLP incorporation forms
- File ROC forms on the MCA portal
- File income tax returns that require digital signing
- Take part in e-tenders and some GST filings

Key points:

- Class 3 DSCs are used for most filings today
- A DSC is issued by a licensed Certifying Authority after identity verification, often through Aadhaar or video verification
- It is usually valid for one to three years, so note the expiry date and renew in time
- Each director or signatory needs their own DSC

Visit our page to see the documents needed and how the process works.

Post 11: TDS return filing

Button: Learn more → <https://www.csrushil.com/tds-return-filing-chennai>

Deducting TDS? Filing the return on time matters as much as paying it.

If your business deducts tax at source on salaries, rent, professional fees, contract payments or other specified payments, you must:

1. Deposit the TDS with the government by the due date
2. File quarterly TDS returns (for example Form 24Q for salaries and Form 26Q for other payments)
3. Issue TDS certificates (Form 16 / 16A) to the people you deducted from

Common mistakes we see:

- Wrong PAN of the deductee
- Mismatch between the challan and the return
- Late filing, which attracts a fee for each day of delay
- Not correcting defaults shown on the TRACES portal

Accurate TDS returns also help your employees and vendors, because their tax credit depends on what you file.

Visit our page to see how we handle TDS compliance.

Post 12: Income tax return filing

Button: Learn more → <https://www.csrushil.com/income-tax-return-filing-chennai>

Filing your income tax return? A few things to check first.

- Choose the right ITR form for your income type (salary, business, capital gains, etc.)
- Compare your income and tax details with Form 26AS and the Annual Information Statement (AIS)
- Decide between the old and new tax regimes based on your deductions
- Report all bank interest, capital gains and other income
- Verify the return after filing. A return that is not verified is not treated as filed

Businesses, companies and LLPs have their own forms and due dates, and some need a tax audit before filing.

Filing on time avoids late fees and keeps your refund and loss carry-forward rights intact.

Visit our page to see the documents to keep ready.

4. Directory listing pack

Warning: keep your details identical everywhere

Google compares your name, address and phone number (NAP) across the internet. Small differences ("13th Main Road" vs "13th Main Rd", a different phone number, "C.S. Rushil and Co") weaken trust. **Copy and paste the block below every time. Do not retype it.** Use the same website URL (<https://www.csrushil.com>) and the same hours everywhere.

Exact NAP block

Business name: C S Rushil & Co., Chartered Accountants
Address line 1: Old Door No. AP-890, New No. 18, J-Block, 1st Street
Address line 2: 13th Main Rd, Anna Nagar
City: Chennai
State: Tamil Nadu
PIN code: 600040
Country: India
Phone: +91 72001 49711
WhatsApp: +91 72001 49711
Email: admin@csrushil.com
Website: <https://www.csrushil.com>
Hours: Monday to Saturday, 9:30 AM to 6:30 PM; Sunday closed

If a platform has only one address line, use:

Old Door No. AP-890, New No. 18, J-Block, 1st Street, 13th Main Rd, Anna Nagar, Chennai, Tamil Nadu 600040

Before you use the business name, compare it with the exact name on your Google Business Profile and your signboard. Whichever form you settle on, use only that form everywhere.

Business description (up to 750 characters)

C S Rushil & Co. is a Chartered Accountancy firm in Anna Nagar, Chennai, led by CA Rushil C S, a Certified FAFD professional and Start-up Mentor, with a team of 16. We help entrepreneurs and growing businesses with company registration (Private Limited, LLP and One Person Company), GST registration and returns, income tax and TDS filing, ROC and annual compliance, trademark registration, Startup India recognition and Digital Signature Certificates. Our approach is simple: explain each step clearly, keep a calendar of due dates, and handle the paperwork so you can focus on your business. Visit our office on 13th Main Rd, Anna Nagar, Monday to Saturday, 9:30 AM to 6:30 PM, or visit www.csrushil.com.

Business description (up to 250 characters)

Chartered Accountants in Anna Nagar, Chennai. Company, LLP and OPC registration, GST, income tax, TDS, ROC compliance, trademark and Startup India support. Led by CA Rushil C S. Mon to Sat, 9:30 AM to 6:30 PM.

(Count the characters again after any edit. Some platforms count spaces.)

Category suggestions

Pick the closest match each platform offers. Primary first.

Priority	Category idea
Primary	Chartered Accountant / Chartered Accountants
2	Company Registration Consultant
3	GST Consultant / GST Registration
4	Income Tax Consultant / Tax Consultant
5	Accounting Firm / Accountants
6	Trademark Registration Consultant
7	Auditor

Platform step notes

Before any paid upgrade on these platforms, check Section 7 (ICAI check-list). Free basic listings first.

Justdial (<https://www.justdial.com>)

1. Search Justdial for "C S Rushil" in Chennai first. If a listing already exists, use "Claim this business" or "Edit this listing" instead of creating a duplicate.
2. If none exists, use "Free Listing" (or "List your business") and verify your mobile number by OTP.
3. Paste the NAP block, choose categories, add hours and the 750-character description.
4. Add real office photos.
5. Justdial sales staff may call to offer paid packages. You do not need them for a basic listing. Say you will consider it later, and check Section 7 first.

Sulekha (<https://www.sulekha.com>)

1. Look for "List your business" / "For Business".
2. Choose service categories close to company registration, GST and tax.
3. Paste the NAP block and the description. Add the website link.
4. Sulekha is lead-based and may offer paid lead plans. Check Section 7 before paying for leads.

IndiaMART (<https://www.indiamart.com>)

1. Choose "Sell on IndiaMART" / free registration with your mobile number.
2. Set up the company profile with the NAP block.

3. List services (for example "Company Registration Services", "GST Registration Services") as "products".
Leave the price blank or set it to "Ask for price" (no fees in public listings).
4. Add the description and photos.

ICAI CA Connect (<https://caconnect.icai.org>)

1. This is ICAI's own platform for members and firms. Log in with your ICAI member credentials.
2. Complete the firm profile with the exact NAP block and areas of practice.
3. Keep the profile factual and in line with ICAI guidance; this is the most "on-brand" directory for a CA firm.

Bing Places for Business (<https://www.bingplaces.com>)

1. Sign in with a Microsoft account (or with the Google account that manages your Business Profile).
2. Choose **Import from Google Business Profile**. This copies your name, address, phone, hours, photos and categories.
3. Check the imported details against the NAP block and fix any differences.
4. Bing feeds Microsoft Copilot and some other search tools, so this listing helps beyond Bing itself.

Apple Business Connect (<https://businessconnect.apple.com>)

1. Sign in with an Apple ID (a company Apple ID is better than a personal one).
2. Search for your business; claim it if it exists, otherwise add a new place.
3. Paste the NAP block, choose categories, add hours, website and photos.
4. Apple may ask for verification (phone call or documents). This listing appears in Apple Maps and Siri on iPhones.

LinkedIn company page (<https://www.linkedin.com/company/setup/new/>)

1. Log in to your personal LinkedIn profile, then choose "Company".
 2. Name: the exact business name. Website: <https://www.csrushil.com>. Industry: "Accounting". Company size: 11 to 50 employees. Type: Partnership or Sole Proprietorship (whichever matches your firm's actual legal form).
 3. Add the logo, cover image, the 750-character description and the address.
 4. Ask your 16 team members to list "C S Rushil & Co." as their current employer so their profiles link to the page.
 5. Share each week's GBP post and each new video here as well (after checking Section 7).
-

5. 12 YouTube / Shorts scripts

Format: 60 to 90 seconds each, English. Upload as a YouTube Short (vertical 9:16) and, if you like, as a normal video too. Each script is about 160 to 210 words, which is roughly 70 to 90 seconds at a calm pace.

Also record in Tamil (4 videos): Script 1 (documents), Script 3 (Pvt Ltd vs LLP vs OPC), Script 8 (GST after incorporation) and Script 12 (converting a proprietorship). These are the topics most often asked by first-time business owners who prefer Tamil. Have the Tamil version prepared and reviewed by a native speaker; translate the meaning, not word by word.

Title format: "{Topic} | Company Registration in Chennai | C S Rushil & Co."

Description: one-line summary, then the relevant page link, then the NAP block.

Filming tips

- **Phone:** any recent smartphone is enough. Use the rear camera, 1080p or 4K, 30 fps. Clean the lens.
- **Orientation:** vertical (9:16) for Shorts. Hold the phone at eye level on a tripod.
- **Sound matters more than video.** Use a clip-on (lapel) wireless mic that connects to the phone. Turn off fans and AC for the take if they are noisy.
- **Background:** your office, with the C S Rushil & Co. signboard or name board visible behind you. This also builds local recognition. Avoid clutter and client files in view (no client names or documents on screen).
- **Light:** face a window or use a small LED light in front of you, slightly above eye level.
- **Delivery:** look at the lens, speak slowly, and use short sentences. Record each point as a separate take; it is easier to edit.
- **Captions:** add on-screen captions (YouTube auto-captions, then correct them). Most Shorts are watched on mute.
- **Batch:** record 3 to 4 scripts in one session to save time.
- **Accuracy:** rules change. Check each script against the current rule on the day you record.

Script 1: Documents needed to register a company in Chennai

Link: <https://www.csrushil.com/company-registration-chennai> | **Also record in Tamil**

Hook (0 to 5 s): "Registering a company? Keep these documents ready before you start, and you can save days of back-and-forth."

Point 1: "For every director and shareholder: PAN card, Aadhaar, a recent passport-size photo, and a recent bank statement or utility bill as address proof. Foreign nationals need a passport and notarised or apostilled documents."

Point 2: "For the registered office: a recent electricity bill, gas bill or similar, plus a no-objection letter from the owner. If the place is rented, the rent agreement too."

Point 3: "Decide in advance: the company name with a backup option, your main business activity, and how shares will be split among founders. You also need Digital Signature Certificates for the directors."

Call to action: "We've put the full checklist on our website, csrushil.com. Link in the description. Or visit us at Anna Nagar."

Script 2: How long does company registration take?

Link: <https://www.csrushil.com/company-registration-chennai>

Hook: "How long does it really take to register a company in India? The honest answer: it depends on three things."

Point 1: "First, how ready your documents are. Mismatched names between PAN and Aadhaar, or an old utility bill, are the most common reasons for delays."

Point 2: "Second, name approval. If the name you choose is too similar to an existing company or trademark, the MCA can reject it, and you have to resubmit. Choosing a distinctive name saves time."

Point 3: "Third, MCA processing. Once filed, the government processes the application. Sometimes they raise a query that needs a reply."

Call to action: "When you bring us your documents, we review them first and give you a realistic estimate. Details on csrushil.com."

Script 3: Private Limited vs LLP vs OPC

Link: <https://www.csrushil.com/company-registration-chennai> | **Also record in Tamil**

Hook: "Private Limited, LLP or One Person Company? Choosing the wrong one can cost you later. Here's a simple way to decide."

Point 1: "Private Limited Company: at least two directors and two shareholders. Best if you plan to raise investment, issue shares to employees, or grow a larger team. More compliance, including a mandatory audit."

Point 2: "LLP: at least two partners. Flexible, with limited liability. Suits professional firms and partners sharing profits. Investors generally prefer a company over an LLP."

Point 3: "OPC: one founder, one nominee. Limited liability for a solo business, and it can be converted to a Private Limited Company later."

Call to action: "Not sure which fits you? Book a 30-minute call with our team. The link is on csrushil.com."

Script 4: Why company names get rejected

Link: <https://www.csrushil.com/private-limited-company-incorporation-chennai>

Hook: "Your company name got rejected? These are the usual reasons, and how to avoid them."

Point 1: "It's identical to, or too similar to, an existing company, LLP or registered trademark. Adding 'India', 'Solutions' or changing a plural doesn't make it different."

Point 2: "It uses words that need special approval, like 'Bank', 'Insurance', 'National' or words suggesting a government connection, without the required approval."

Point 3: "It doesn't match your business activity, or it may be considered offensive or misleading."

Tip: "Search the MCA name database and the trademark registry before applying, and keep a second option ready."

Call to action: "We run these checks before filing. More on [csrushil.com](https://www.csrushil.com)."

Script 5: Can NRIs or foreign nationals be directors?

Link: <https://www.csrushil.com/private-limited-company-incorporation-chennai>

Hook: "Can an NRI or a foreign national be a director of an Indian company? Yes, with a few conditions."

Point 1: "Every company needs at least one director who meets the Indian residency requirement under the Companies Act. The other directors can be NRIs or foreign nationals."

Point 2: "Foreign directors need a passport and address proof. These documents usually have to be notarised or apostilled in their country, which takes extra time, so start early."

Point 3: "If a foreign person or entity is investing in shares, foreign investment rules apply, including reporting to the RBI after shares are issued."

Call to action: "We help NRI founders with incorporation from start to finish. See [csrushil.com](https://www.csrushil.com), or book a call."

Script 6: What is INC-20A and why it matters

Link: <https://www.csrushil.com/roc-compliances>

Hook: "Just registered your company? There's one form many founders forget, and it can stop your company from doing business."

Point 1: "It's called INC-20A, the declaration for commencement of business. Companies with share capital must file it within 180 days of incorporation."

Point 2: "It confirms that every shareholder has paid for their shares, so you need to open the company bank account and deposit the share capital first. The bank statement is attached as proof."

Point 3: "If it isn't filed, penalties apply to the company and directors, and the ROC can take action against the company."

Call to action: "We track this date for every company we register. Find out more on [csrushil.com](https://www.csrushil.com)."

Script 7: First-year compliance for a new company

Link: <https://www.csrushil.com/annual-compliance-package>

Hook: "Your company is registered. Now what? Here's your first-year checklist."

Point 1: "Within the first few weeks: hold your first board meeting, appoint your first auditor within 30 days, open a bank account and start keeping proper accounts."

Point 2: "Within 180 days: file INC-20A for commencement of business. Issue share certificates to shareholders within the prescribed time."

Point 3: "During and after the first year: hold board meetings, prepare audited accounts, hold your AGM, then file AOC-4, the annual return, and the income tax return. Plus GST and TDS returns if they apply."

Call to action: "Our annual compliance package covers all of this. See [csrushil.com](https://www.csrushil.com)."

Script 8: Do you need GST after registering your company?

Link: <https://www.csrushil.com/gst-registration-chennai> | **Also record in Tamil**

Hook: "Registered a company? Your GST number does not come automatically. Here's what to know."

Point 1: "GST registration is separate. You can opt for it in the incorporation form or apply later on the GST portal."

Point 2: "It's compulsory when your turnover crosses the threshold for your business, for inter-state sales of goods, for most e-commerce sellers, and some other cases."

Point 3: "Even below the threshold, some businesses register voluntarily so they can claim input tax credit and work with larger clients. But once registered, you must file returns regularly, even in months with no sales."

Call to action: "Not sure if you need GST? Check our guide on [csrushil.com](https://www.csrushil.com)."

Script 9: Digital Signature Certificate explained

Link: <https://www.csrushil.com/digital-signature-certificate-chennai>

Hook: "Every company director needs one. What is a DSC, and how do you get it?"

Point 1: "A Digital Signature Certificate is your signature in electronic form. You need it to sign incorporation forms, ROC filings and some tax filings."

Point 2: "It's issued by a licensed Certifying Authority after identity verification, often through Aadhaar or a short video. Class 3 certificates are commonly used today."

Point 3: "It's usually valid for one to three years. Note the expiry date, because an expired DSC can hold up an urgent filing."

Call to action: "We arrange DSCs for directors as part of registration, or separately. Details on [csrushil.com](https://www.csrushil.com)."

Script 10: Can your home be the registered office?

Link: <https://www.csrushil.com/company-registration-chennai>

Hook: "Starting a company from home? Yes, you can use your home as the registered office."

Point 1: "The registered office is simply the address where the company receives official communication. It doesn't have to be a commercial space."

Point 2: "You'll need a recent utility bill for the address, like electricity or gas, and a no-objection letter from the owner. If it's rented, the rent agreement too."

Point 3: "Keep in mind: the address will appear in public records, your company name board must be displayed there, and official notices will arrive there. You can shift it later with the right filings."

Call to action: "Have questions about your address proof? Visit [csrushil.com](https://www.csrushil.com)."

Script 11: Startup India recognition

Link: <https://www.csrushil.com/startup-india-registration-chennai>

Hook: "Registered a company? You might also qualify for Startup India recognition. Here's how it works."

Point 1: "DPIIT recognition is available to Private Limited Companies, LLPs and registered partnerships that meet conditions on age, turnover and innovation."

Point 2: "Benefits can include self-certification under certain laws, help with patent and trademark costs, and eligibility to apply for income tax benefits, which need a separate approval."

Point 3: "You apply online on the Startup India portal, with a clear write-up on what's innovative about your business."

Call to action: "We help founders check eligibility and prepare the application. More on [csrushil.com](https://www.csrushil.com)."

Script 12: Converting a proprietorship into a company

Link: <https://www.csrushil.com/private-limited-company-incorporation-chennai> | **Also record in Tamil**

Hook: "Running a proprietorship and ready to grow? Here's how moving to a company actually works."

Point 1: "There's no direct 'conversion' form for a proprietorship. You register a new company, then the company takes over the business through a business transfer agreement."

Point 2: "Plan the transfer of assets, stock, bank accounts and contracts. The company needs its own GST registration. In many cases, unused input tax credit can be transferred with the right filing."

Point 3: "Tax conditions apply to make the transfer tax-neutral, so get advice before you sign anything."

Call to action: "We guide proprietors through the whole move. Book a call on [csrushil.com](https://www.csrushil.com)."

6. Outreach templates

What we offer: a free compliance clinic, a talk or workshop, or a plain-language resource article for their members. **We do not offer or ask for paid links, and we do not pay for mentions.** Check Section 7 before sending, especially for anything that could be seen as solicitation.

Tips:

- Find the right contact on the organisation's own website (programme manager, events lead, membership office). Do not buy email lists.
- Keep it short. One follow-up after 7 to 10 days; then stop.
- Send from `admin@csrushil.com` with a proper signature.

Signature for all emails:

StartupTN (<https://startuptn.in>)

Subject: Free compliance clinic for StartupTN founders

Dear {Name},

I'm CA Rushil C S, a Chartered Accountant, Certified FAFD professional and Start-up Mentor based in Anna Nagar, Chennai.

Many early-stage founders I meet are unsure about the first-year steps after incorporation: commencement of business, GST, TDS and ROC filings. I'd like to offer StartupTN founders a free 60-minute compliance clinic (online or in person) covering these basics, with time for questions.

I'm also happy to write a short plain-language guide for your resources section.

Would this be useful for an upcoming cohort or event? I can work around your calendar.

Regards,
{signature}

Incubators (IIT Madras Incubation Cell / Research Park, Anna University, college E-cells)

Useful starting points: <https://incubation.iitm.ac.in>, <https://respark.iitm.ac.in>, <https://www.annauniv.edu>.

Subject: Offer: compliance basics session for your incubatees

Dear {Name},

I'm CA Rushil C S, Chartered Accountant and Start-up Mentor, from C S Rushil & Co. in Anna Nagar, Chennai.

I'd like to offer your incubated startups a free session on company compliance for the first year: choosing between Private Limited, LLP and OPC, the commencement of business filing, GST and TDS basics, and keeping the company "investor-ready".

It can be a 45-minute talk with Q&A, or open "office hours" where founders bring their own questions. No sales pitch.

Would you be open to a short call to see if this fits your programme?

Regards,
{signature}

College E-cell version (shorter):

Subject: Free talk for your E-cell: starting a company the right way

Hi {Name},

I'm CA Rushil C S, a Chartered Accountant and Start-up Mentor in Anna Nagar. I'd be glad to give a free 45-minute talk to your E-cell on how to register a company, choose the right structure and stay compliant in year one. Student founders often ask about this.

Would a date in the next two months work for you?

Best,
{signature}

TiE Chennai (<https://chennai.tie.org>)

Subject: Volunteering as a compliance resource for TiE Chennai

Dear {Name},

I'm CA Rushil C S, Chartered Accountant and Start-up Mentor, based in Anna Nagar.

I'd like to contribute to TiE Chennai's founder programmes as a resource on incorporation and compliance: a short session at a member event, mentoring hours, or a written explainer on first-year obligations for new companies.

Could you let me know the right way to get involved, or who I should speak with?

Regards,
{signature}

Industry associations (MADITSSIA, CII Tamil Nadu, FICCI Tamil Nadu)

Starting points: <https://maditssia.com>, <https://www.cii.in>, <https://ficci.in>.

Subject: Offer of a free GST and compliance update session for members

Dear {Name},

I'm CA Rushil C S of C S Rushil & Co., Chartered Accountants, Anna Nagar, Chennai.

I'd like to offer {Association name} members a free session on recent GST, income tax and MCA changes that affect small and medium businesses, with time for members' questions. I can also prepare a short written summary for your newsletter.

If this would be useful, I'd be glad to fit in with your events calendar.

Regards,
{signature}

Coworking spaces (Anna Nagar and wider Chennai)

Subject: Free "compliance hour" for your members

Hi {Name},

I'm CA Rushil C S, a Chartered Accountant with an office on 13th Main Rd, Anna Nagar.

Many coworking members are early-stage founders and freelancers with questions about company registration, GST and tax filing. I'd like to offer a free monthly "compliance hour" at your space, where members can drop in with questions, or a one-off talk if you prefer.

Happy to discuss what would suit your community.

Best regards,
{signature}

Journalists (business desks of Chennai and national publications)

Send to business reporters who already cover tax, GST, startups or MCA. Find them through their published articles. Send close to relevant news (Union Budget, GST Council meetings, MCA rule changes).

Subject: Expert comment available: {Budget 2027 / GST Council decision / MCA change}

Dear {Name},

I read your recent piece on {topic}. I'm CA Rushil C S, a Chartered Accountant and Start-up Mentor in Chennai, working mainly with small businesses and first-time founders.

If you need a practitioner's view on {topic}, for example what it means for small businesses in Tamil Nadu, I'm available for a quick comment by phone or email, usually on the same day.

Regards,
{signature}

Before speaking to the media: keep comments factual and general; do not mention any client; do not describe the firm as better than others. See Section 7.

7. ICAI check-list

This section is a list of **questions to confirm**, not legal conclusions. The ICAI Code of Ethics, the Chartered Accountants Act, 1949 (including Clauses (6) and (7) of Part I of the First Schedule, which deal with solicitation and advertisement) and ICAI's guidelines on advertisement, websites and publicity change from time to time.

Where to check: ICAI website <https://www.icaai.org> (look for the Code of Ethics and the Ethical Standards Board announcements). If in doubt, write to ICAI's Ethical Standards Board or seek a professional opinion before acting. Keep the written replies on file.

Reviews and testimonials

1. May a CA firm ask clients to leave a review on Google? Does the answer change if the request is sent by WhatsApp, email or a desk QR code?
2. May the firm reply publicly to reviews, and what must replies avoid (for example any detail that could identify a client)?
3. May the website or social media display Google reviews or ratings?

Google Business Profile and directories

1. Are free directory listings (Justdial, Sulekha, IndiaMART, Bing, Apple, LinkedIn) permitted, and what information may they contain?
2. Are paid or "premium" directory listings, sponsored placement or "verified/top" badges permitted?
3. Are lead-generation plans (paying a platform per enquiry) permitted?
4. Are there limits on the categories, keywords or service names used in listings?

Paid advertising

1. Are paid search ads (Google Ads), paid map listings or boosted social media posts permitted for a CA firm?
2. If anything is permitted, what restrictions apply to the wording, for example on fees, comparisons or claims?

Social media and content

1. Are educational posts, videos and YouTube Shorts by a member or firm permitted? Any rules on how the firm's name, logo or services are shown?
2. May the firm publish its services list and contact details on social media, as it does on its website?
3. Are there rules on mentioning qualifications (for example FAFD, Start-up Mentor) or team size?

Talks, events and media

1. May a member offer free clinics, talks or workshops to associations, incubators and coworking spaces? Does offering it by email count as solicitation?
2. Are there conditions on being quoted in the media, such as how the member's name and firm may be described?

Separate company structure

1. If a separate company or LLP were formed to offer non-attest services (for example business support or compliance), what does ICAI permit about its name, ownership, management, and its relationship with the CA firm?
2. Would that separate entity be subject to the same advertising and solicitation rules, and could it run ads or paid listings that the CA firm cannot?
3. Are there any registration or approval requirements with ICAI before forming such an entity?

Fees

1. Are there rules on publishing fees, "starting from" prices or package prices online or in listings? (This kit deliberately avoids fees until this is confirmed.)
-

8. Measurement

A. Create a Google Analytics 4 (GA4) property

1. Go to <https://analytics.google.com> and sign in with the firm's Google account (use the same one that manages the Business Profile, or add it as an admin).
2. Click **Admin** (gear icon) → **Create** → **Property**.
3. Property name: "csrushil.com". Reporting time zone: India. Currency: Indian Rupee.
4. Business details: industry "Business and Industrial Markets" (or the closest option), size "Small".
5. Choose a platform: **Web**. Website URL: <https://www.csrushil.com>. Stream name: "csrushil website".
6. Copy the **Measurement ID**. It looks like G-XXXXXXXXXX.

B. Add the ID in Vercel and redeploy

The website already reads an environment variable called `NEXT_PUBLIC_GA_ID`. You only need to add the value.

1. Go to <https://vercel.com> and open the csrushil website project.
2. Go to **Project** → **Settings** → **Environment Variables**.
3. Key: `NEXT_PUBLIC_GA_ID`. Value: your G-XXXXXXXXXX ID. Environment: tick **Production** (you can leave Preview and Development unticked).
4. Click **Save**.
5. **Redeploy**: go to **Deployments**, open the latest production deployment, click the ... menu and choose **Redeploy**. Variables starting with `NEXT_PUBLIC_` are built into the site, so the change only appears after a new deployment.
6. Check it works: open the website in a normal browser window, then in GA4 go to **Reports** → **Realtime**. You should see yourself as 1 active user within a minute or two.

C. Connect Google Search Console

1. Go to <https://search.google.com/search-console> and sign in with the same Google account.
2. Click **Add property** → choose **Domain** → enter `csrushil.com` (without https or www).
3. Google shows a **TXT record**. Add it in the DNS settings wherever your domain's DNS is managed (your domain registrar, or Vercel → Domains if Vercel manages your DNS). Save, wait a few minutes, then click **Verify**. DNS can take up to a day to update.
4. Once verified, go to **Sitemaps**, enter <https://www.csrushil.com/sitemap.xml> and click **Submit**. Status should show "Success" after Google reads it.
5. Optional: in GA4, go to **Admin** → **Product links** → **Search Console links** to link the two.
6. Also add the site in Bing Webmaster Tools (<https://www.bing.com/webmasters>). It can import directly from Search Console.

D. Track where enquiries come from

Ask every new enquiry: "**How did you hear about us?**" Record one of: Google Maps / Google Search / Website form / WhatsApp from website / Justdial / Sulekha / IndiaMART / YouTube / LinkedIn / Referral /

Event or talk / Other. A shared Google Sheet with columns for date, source, service and outcome (client yes/no) is enough.

E. How to check map-pack rank (free, monthly)

1. Use the same phone each month, ideally while you are at the office in Anna Nagar.
2. Open Chrome in **Incognito** mode, or use the Google Maps app while signed out.
3. Search each keyword and note your position in the map results (1, 2, 3, or "not in top 20").
4. Search Console → **Performance** also shows your average position on normal Google search.

F. Monthly KPI table

Copy this table into a Google Sheet and fill it on the first working day of each month. Fill the "Baseline" column in Week 2.

Metric	Baseline (Oct 2026)	Nov 2026	Dec 2026	Jan 2027
Map-pack rank: "company registration in Chennai"				
Map-pack rank: "company registration Anna Nagar"				
Map-pack rank: "private limited company registration Chennai"				
Map-pack rank: "LLP registration Chennai"				
Map-pack rank: "GST registration Anna Nagar"				
Map-pack rank: "chartered accountant Anna Nagar"				
Google reviews (total count)				
Average Google rating				
New reviews this month				
GBP calls (Business Profile → Performance)				
GBP website clicks				
GBP direction requests				
Website visitors (GA4)				
Enquiries: Google Maps / Business Profile				
Enquiries: Google Search / website				
Enquiries: directories (Justdial, Sulekha, IndiaMART)				
Enquiries: YouTube / LinkedIn				
Enquiries: referral / events / other				
Total enquiries				
New clients signed				
GBP posts published				

Metric	Baseline (Oct 2026)	Nov 2026	Dec 2026	Jan 2027
Videos published				

How to read it: reviews and posts are things you control, so do them every week. Rankings usually move over weeks to months, not days. If enquiries rise but new clients don't, look at how quickly enquiries are answered and how the first call is handled.

This kit contains no client names, fees or comparative claims. Rules described in the GBP posts and video scripts are general information. Check them against the current law before publishing.
